

Deaf Ministries International - Syria

Dear friends,
Syrian greetings to you all.

We will try to give you a report about the deaf ministry in Syria during April - June 2014.

We are still going through a civil war in Syria, we hear the difficult news every day but we can be witnesses for the Lord's work with us.

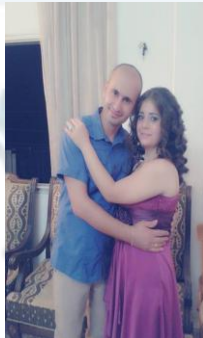

The good news that we are continuing in the deaf meetings, and the deaf are very excited to know more about our God.

20 deaf at Monday meeting also at the Sunday meeting at the church too.

William

he lives in the city of Suwaida, about 2 hours from Damascus. he was didn't know anything about Jesus,

Weam & Motee

Weam and Motee engagement. Weam is a staff with us, she was believer and her vision is the deaf children in Damascus.

Saed, Darin and 2 hearing children, they are refugees from Aleppo to Damascus. They lost everything there and when they attending the deaf meeting, they trust in the Lord Jesus and they are a believer family now .

but now he became a believer and attend all the deaf meetings, he is excited to remove to Damascus to be close to the church

Challenge,

The difficult war was a problem and challenge for us and for the deaf too, the fear from shells and explosions was the reason for the difficulty of movement in Damascus, also the weak economy and the spread of disease due to lack of water and electricity for many days, all these were the challenge to still live in Syria.

Despite that, we were as a church with encouraged by the Pastor Edward to continue the vision with all the joy and we saw the Lord was with us all the time.

About the funds, we have received 250\$ a month from you and the monthly salary for us too, during the last three months, we were able to prepare the dinner for the deaf twice a month, and a little to the deaf children too.

We don't know is available for us to ask you to support a special event?

Example: we are preparing for the 8th conference for the deaf in Syria at 22 August , the conference will be 3 days at hotel in old Damascus and the cost will almost 1000\$.

We don't have any money for this conference but we pray and trust that the Lord will support all the needs.

Thank you for your support and your prayers for us.
