

December 2006

Dear Friends and Supporters,

From our slowly increasing family our very best wishes to you all for a Blessed Christmas and a very Happy New Year.

We have been so blessed this year with the addition of little Noelle Rebecca Muir who arrived just after last Christmas on the 29th of December. She was due Christmas Day but we were kind of glad she arrived a little bit later. We are now in the process of child-proofing the house; she is already at that stage.

Another blessing has been that Lill's 91 year old mother (from Norway) has joined us here for about 6 months. It just goes to show that we are never too old for anything much. Lill accompanied her out on a trip that she thoroughly enjoyed. It is wonderful to have this lovely lady with us for these months.

The work has grown this year too with the opening of new fields and an increased ministry to deaf people here in Australia, in Africa, in Asia and now in South America too. Thank you to each one of you who has been a part of this ministry. How can we thank you enough?

We have been undeserving but blessed by God, so at this time of year, amidst the rush and bustle of our secular society, we pause to remember the coming of the One whom we serve and is the reason for our being.

May God bless you this Christmas season as you remember Jesus is the reason for the Season.

God Bless
Neville and Lill
