

# DEAF MINISTRIES UPDATE

Dear Friends and Supporters,

Just a short letter this time before we head north and seminars with Jack and Keiko Marshall from the about a month. We have been so blessed by their teaching in seminars mostly in the Melbourne area and the flood of the north.

## BROCHURES

Through a gift made last year we have been able to present our work and our sponsorship program. We presented brochure for use in deputation meetings so thank to the efforts of David O'Callaghan in Bathurst we have these brochures ready. We even have it in Norway.

We are sending you one of each brochure with this could make use of them to perhaps pass onto others are ever increasing so the need to build up our support base is very urgent. If you could send us a few more for your church or group please let us know some to you.

## GLORIA

We have a bit of a problem with Gloria in Kenya. She needs immediate medical attention requiring her to return to the Philippines. The tumour is so large she looks five months pregnant. We put her air ticket on my credit card so we have about a month to come up with the money to pay that off. She has medical insurance which covers her in the Philippines and a gynaecologist friend so she needs the need to return to the Philippines. A \$7000 US operating cost in Kenya was a further incentive. Please pray for Gloria and for the funds necessary to pay off the ticket.

## PHILIPPINES

A team from the Berwick Church of Christ is currently in the Philippines repairing the buildings, the plumbing, computers, wiring, tee th, and anything else they can do in the two weeks they have. They are leading devotions for staff and kids each day and sharing in our churches there. Reports coming through from our locals are full of praise and gratitude. I am really looking forward to meeting the team on their return and getting a full report.

I am off to the Philippines on the 23<sup>rd</sup> myself for Graduations, board meetings and camps. Jeff Weston from the OMB is coming with me as a guest speaker. Please pray for our work at that time especially the kids camps. Fifteen are awaiting baptism so that will be a highlight.

I return to Australia for a day in time to wash my pan and Korea for church openings, weddings, follow up on contacts made in the past particularly in China, workers meetings and only the Lord knows what else. This is all during the time that I am supposed to be home resting, getting refreshed, doing deputations here and home based related matters. Oh well, when I get back in May I hope that will be the case.

Lill is still in Norway. Her mum isn't doing very well so we really don't know what to do there. If we come to mind please uphold us all in your prayers.

Hope you like the brochures.

God bless,

Neville, Lill
