

DEAF MINISTRIES UPDATE

Dear Friends and Supporters,

Greetings again from Australia.

We are about to farewell Dewayne and Jackie Liebrand from Thailand who have been with us the past three weeks. During that time we planned some of the up and coming conference to be held in Thailand next year. Enclosed in this newsletter is a form which we would like you to fill in if you are interested in coming to the conference. This is not the application form as such but a preliminary one to help us have some idea of possible numbers. After receiving this from you we can send you more information and begin the more formal process of making bookings and the like. If you would be so good as to mail the form or fax it to us here in Melbourne or e-mail us if that is easier for you we would appreciate it very much.

For those of you in the Melbourne area we are having a garage sale on the 15th of September at the Monash City Church of Christ in Glen Waverley from about 9 am. Proceeds will go to DMI. It is an opportunity for some of us to empty our garages of unwanted "treasures" and help the ministry in that way.

Word has reached us from Davao that the lady who is selling us the land where we hope to relocate to has just had a stroke and is in urgent need of the money that we owe her. We have paid a little off the land and continue to do so as funds trickle in. If we cannot pay the rest of the money in the very near future she will have to sell it to someone else. If the Lord wants to have this land He will provide for the remaining funds. Would you please pray with us about this, that the Lord would supply this money immediately so that the land sale can be completed. We believe that the spot is ideal but if funds are not forthcoming we will have to take it that this is not meant for us. I might add that the dormitory and home for our deaf kids there is extremely overcrowded and something has to be done. If money comes and is not used for this particular block of land it will be used for whatever land we eventually do get.

All for now,

Neville, Lill and family

PRAYER POINTS

- *Planning for upcoming conference*
- *Funds for the Davao land purchase*
