

# DEAF MINISTRIES UPDATE

Dear Friends and Supporters,

It seems that every one these days complains about how quickly time flies and we are no exception to the rule. Last Christmas, a few weeks ago, was spent with Lill's mum in Norway for the first time since 1982 we are going to celebrate Christmas to you subsequently comes from Australia but as the letter will come from is a matter of prayer on our part at the moment.

We are so looking forward to being with the whole extended family, some for the very first time, to celebrate the coming of the Lord whom we serve. All our family are believers so it makes it a very special time for us. After separation for months on end with family members scattered on three continents we finally all made it here to Melbourne by August. Ian entered school, David applied for University, Brent and Erik continued their courses, Lill suffering exhaustion began slowly recovering and I continued flitting hither and thither as usual. We moved into our new house that the boys and I set up, so poor Lill just had to accept the colour schemes, designs and choices that we made. By the time she got there it was too late to do anything about it. Fortunately most everything was met with approval.

To you our faithful supporters and friends, our support both financially and prayerfully over these past twelve months. Your partnership in this ministry is vital and we appreciate it so very much. Your continued interest and support is also sought as we plan to return to Asia during the coming year.

Best wishes for a blessed Christmas and a very

Neville, Lill, Brent, Erik,  
David and Ian.

Happy 2002.
